Rooted in Faith

Active in Love

JAMES 2:17

Rooted in Faith, Active in Love

“In the same way, faith by itself, if it is not accompanied by action, is dead.” – James 2:17

Join us for a weekend to retreat into God's Word, reflect on His teachings, and rest in His care. We'll dig into the book of James and learn how to live out a faith that is not just heard, but seen—one that is rooted deeply in Christ and active in love toward others. Saturday speakers include Pastor Borgwardt, Pastor Russow, and Cindy Hillmann Jensen. We'll round out the weekend with a Friday night kick-off featuring Barb Krohn from Thai Village and close with Sunday worship and Bible study.

As we look at the life of James, the brother of Jesus, we'll see how faith grows stronger through trials. While our first instinct is to avoid hardship, God uses challenges to deepen our dependence on Him and refine our trust in His promises. In Session One, Pastor Borgwardt will guide us through how we can welcome trials and temptations as a means of strengthening our faith, knowing that a faith tested is a faith made steadfast.

Faith is a gift from God—and it is also alive. True faith naturally produces works that glorify God and bless others. In Session Two, Pastor Russow will help us consider how we respond to God's grace through our words and actions, living as witnesses of His love in all we do. We'll reflect on James' challenge that “faith without works is dead” and see how an active faith brings joy and purpose to our daily walk.

Our faith also shows itself in how we treat others. Words have power—to heal, to encourage, to point others to Jesus. In Session Three, Cindy Hillmann Jensen will lead us in exploring how to respond to God's grace through our relationships. We'll look at how to choose our words and actions carefully so that everything we do reflects the love of God rooted in our hearts.

Our retreat closes Sunday morning with worship and Bible study as we reflect on how to remain rooted in faith and active in love throughout our daily lives.
